13 February 2017

Book Covering

Dear Parents / Carers,

On Friday, 17 February your child’s 2017 school workbooks will be coming home to be covered in clear plastic book covering. You may either use adhesive contact or non-adhesive book covering plastic. This is to ensure that student books are better protected and last longer.

**Books must be returned to school on Monday, 20 February**, so that students can continue to complete their class work.

Thank you for your assistance.

Mrs N. Parker
Relieving Deputy Principal
