Dear Parents/Carers,

Metella Road Public School has been very fortunate during the past few years to form dance groups that have represented the school at local performances throughout the year. This year we have formed a Junior Boys Dance Group comprising of children from Years 1, 2 and 3.

Your child has been selected to be a part of the Junior Boys Dance Group and they will be required to attend weekly rehearsals during school time. These **rehearsals will occur at lunch time on Mondays**. Some performances will be held during the school day however, there are performances held outside school time, usually in the evenings. Although we are aware that sometimes circumstances prevent children from attending these performances, it is important that we have members in the group who are committed to being part of a team. Parents will have the responsibility of getting their child to and from the venues during out of school hours.

Although there is no cost for costumes at this stage, costumes will be required at a later date, and parents will be advised of requirements and cost.

We are very excited for another year of dance.

Thank you for your assistance and support of dance in 2017.
