Key Tags

Dear Parents / Carers,

At Metella Road Public Road students are only permitted to bring handballs for use at recess and lunch times. If students wish to play with other sporting equipment, they are required to use a key tag system. These key tags are used to borrow equipment from the sports shed.

**This year all students are required to purchase new key tags in their house colour.** Money raised from the sale of the key tags will be used to purchase equipment for the students to borrow. Students cannot use key tags from previous years to borrow equipment. The cost of the key tags is $1.00.

Students will be able to purchase the key tags from our Student Leaders under the 3-6 COLA from Tuesday, 14 February. **No money is being collected through the administration office and all payments must be made in cash.**

We thank you for your support.
