What are my responsibilities for receiving child care assistance from the Australian Government?
When receiving Child Care Benefit (CCB), Child Care Rebate (CCR) and Jobs, Education and Training Child Care Fee Assistance (JETCCFA), you are responsible for keeping the Government and your child care service provider up-to-date when your circumstances change.

What are my responsibilities with my child care service provider?
You must:
✓ Provide your child care service provider/s with your child/ren’s Customer Reference Number and date of birth along with your Customer Reference Number and date of birth (Note: make sure you give the date of birth and Customer Reference Number for the parent or guardian who is claiming CCB)
✓ Sign or initial attendance records daily to show when your child starts care (‘time in’) and finishes care (‘time out’) — do not sign blank attendance records
For more information about your responsibilities?
✓ Log on to your Centrelink online account through mygov and selecting ‘Child Care’ and then ‘View Child Care Details and Payments’. If you do not have a mygov account, you can create one by visiting mygov and then linking it to your Centrelink online account.

Autumn is here!!
What an amazing start to year. 40 degree days at school, staying inside at recess and lunch times. Continuing heat at OOSH and once again needing to stay indoors. Now we have rain and once again needing to stay indoors and under cover. The children appear to deal with these extremes better than the adults!! Term 1 has been a busy one so far with settling in all our new kindy’s and getting to know all our new families. This term promises some new and exciting experiences as well as some old favourites. Arts and crafts have been a very popular part of our program lately with the children showing us their expanding knowledge and skills; we look forward to learning more off them as the year goes by. Our main focus is making sure all children at OOSH feel safe, secure and supported. We have an open door policy and love hearing about your child’s interests at home, recipe and craft ideas etc. Just a quick reminder to all families..... Please ensure that you have the centre’s number on hand (96361740) so you can call if your child is away from school on a day that they usually come to OOSH (out of school hours care). It is a requirement for all families and ensures we know our children are all accounted for during the sign in process.

goodbye summer

hello autumn
CLEANUP AUSTRALIA DAY – 3rd
Rubbish we create through mass consumption is choking our streets, beaches, parks, bush land and waterways. And along the way it's killing one of our best assets: nature. We are all part of the problem - but YOU can also be part of the solution. Because when the rubbish is gone, nature can carry on.

HARMONY DAY – 21st
Our diversity makes Australia a great place to live. Harmony Day is a celebration of our cultural diversity - a day of cultural respect for everyone who calls Australia home. 'Everyone belongs'. Find out more www.harmony.gov.au

MEETING

Our service is a community based, non-profit centre run by a voluntary management committee made up of the families who use the centre. We could not run the way we do without the dedication of our Management Committee who meets to discuss matters and exciting opportunities that arise.

Our management committee meetings are held twice a term.

Our next meeting will be held on:
Wednesday 22nd
March 2, 2017
7pm

Meeting dates can be found on the school calendar as well as the centre calendar on our website. www.metellaosh.com.au

All families are both welcomed and encouraged to attend!!

APRICOT & COCONUT BLISS BALLS

PREP 15 min | COOK 15 min | SERVE 20

INGREDIENTS
1 cup (190 grams) dried apricots
1 cup (90 grams) desiccated coconut
1 cup (100 grams) almond meal (ground almonds)
1 tablespoon coconut oil, melted
1 teaspoon vanilla bean paste
2 tablespoons honey

METHOD
1. Place the apricots, coconut, almond meal, coconut oil, vanilla bean paste and honey into the large bowl of a food processor and blitz until the mixture comes together. If needed, add a splash of water until the mixture is wet enough to shape into balls.

2. Take heaped teaspoons of the mixture and shape into balls and roll in coconut until coated. These balls will keep refrigerated in an airtight container for 7 days. They also freeze beautifully, simply pop into a freezer safe bag or container and stash in the deep freeze for up to 3 months.

**DRY ERASE LETTERS**

Materials: White board marker, a window or glass door, paper towel or tissue

This activity is very simple to set up. Simply use a white board marker to write letters in a random fashion onto a glass door or window your child can safely access. Explain the activity: "I'm going to call out a letter - you need to find it and erase it!" Children will love the hunt of trying to find the letters and the fun of erasing them.

**KNOW YOUR EGG!**

Australia has a number of different systems of farming used to satisfy the varying needs of consumers. Some consumers choose their eggs by price, others are happy to pay more for eggs produced by hens that are kept in more traditional conditions.

When you buy eggs you’re met with an array of terms caged, cage free, free range, barn laid, organic... it can all get a bit confusing. So what does each of these terms mean? Well in simple terms:

- **Caged - Confined to a cage,** (18 hens per sqm* ethical.org.au)
- **Cage free/Barn laid - Room to nest or perch, no outdoor access**
- **Free range - Access to outdoor range. Can be ambiguous because of loose regulations. For example the stocking density allowances can vary from 1500 – 10,000 birds per hectare.**
- **Certified organic - Access to outdoor range, hens not de-beaked.**
- **COMING SOON - Pastured eggs – Free to roam and forage.**

**How do you choose?**

Apps such as ClickAR from Choice can help you make a sustainable choice. Simply download and scan your carton to find out the egg-shock density of your chosen brand. Our advice, do the research. Choose a brand and learn more about their farm. There are pros and cons to each category. Support farmers who are producing eggs sustainably and know what you are feeding your little chickens.

Late Collection Fee

Please note our centre closes at 6.00pm!!
A late fee will be charged for children who are picked up after 6.00pm. This fee is charged per child.

✓ Late fee payment charges are $20.00 for the first 10 minutes and then $1.00 per minute thereafter. Note: Child Care Benefits and Child Care Rebate are not paid on late fees. Late fee payments will be added to the normal fee.

Wherever possible parents should advise the centre when they will be late to collect their child.

Parents who continually arrive after 6.00pm may lose their child’s position at the centre.
