PERMISSION TO WATCH PG RATED MOVIES

Dear Parents/Carers,

From time to time during the school year students may have the opportunity to watch PG rated movies for a variety of reasons including:

- To enhance literacy programs.
- To support classroom activities across Key Learning Areas such as science, history and geography.
- During extreme weather events when children are required to stay indoors.
- On camp.

These movies will be viewed under the guidance of a classroom teacher.

This permission note will allow your child to watch PG rated movies during 2017.

If you would like your child to view PG movies when appropriate, please complete the permission note and return to your child’s classroom teacher.
